“Children-Centered” vision

We listen to the views of children and young people, respect those opinions, consider what is good for children and young people, and take our own actions.
We consider the needs of each and every child.

When posting on SNS (X, Instagram, YouTube), please include the hashtag #KodomoMannakaYattemita (My Children-Centered Actions). The Children and Families Agency (CFA) will support making your actions visible through “Likes,” best practices on our website, and official LINE account.

We collaborate with supporters in various ways.

*For details, please visit Children and Families Agency website.

◆ Supporters can use the official “Kodomo Mannaka Mark” (details on the CFA website).

◆ The CFA shares best practices on its website and official LINE account.

◆ During Children-Centered Awareness Month and summer vacation, the CFA carries out initiatives in collaboration with supporters.

Example: VIVISTOP Hakata
Children's project: "Let's Create the Ultimate Movie Theater!" CFA staff participated in a preview screening and mock press conference.
